TO: Honorable Chair and Members of the Governing Board
FROM: Victor Ponto, General Counsel
SUBJECT: **Consideration and Adoption of a Resolution of the California Cities for Self-Reliance Joint Powers Authority Ratifying the Proclamation of a State of Emergency by Governor Newsom on March 4, 2020, and Authorizing Remote Teleconference Meetings of the Joint Powers Authority for the Period from December 21, 2022, through January 20, 2023, pursuant to Brown Act Provisions**
DATE: December 21, 2022

RECOMMENDATION

The Members of the Authority are recommended to adopt the attached Resolution of the California Cities for Self-Reliance Joint Powers Authority ratifying the proclamation of a State of Emergency by Governor Newsom on March 4, 2020, and authorizing remote teleconference meetings of the Joint Powers Authority for the period from December 21, 2022, through January 20, 2023, pursuant to Brown Act Provisions (Attachment 1).

BACKGROUND/JUSTIFICATION OF RECOMMENDED ACTION

On March 4, 2020, Governor Gavin Newsom proclaimed a State of Emergency throughout the state of California, in response to the rapid spread and threat of the Novel Coronavirus (COVID-19). On the same day, the Los Angeles County Board of Supervisors and Los Angeles County Department of Public Health (“LACDPH”) declared a local emergency and local public health emergency throughout Los Angeles County.

On September 16, 2021, Governor Newsom signed Assembly Bill (AB) 361 (Rivas, 2021), which authorizes local agencies to continue to hold public meetings remotely under modified teleconferencing requirements set forth in the Brown Act (Government Code section 54953(b)(3))

during a state-declared emergency, as that term is defined, and when either state or local health officials have imposed or recommended measures to promote social distancing, or in situations when the legislative body has determined that meeting in person would present imminent risks to the health or safety of attendees. AB 361 went into effect immediately and sunsets on January 1, 2024.

The most recent Public Health Order (“Health Order”) by the LACDPH, effective as of September 23, 2022, outlines the County’s current guidelines to continue to ensure the reduction in the transmission risk of COVID-19 and protect those persons at elevated risk for severe health outcomes due to COVID-19 infection.

Under AB 361, legislative bodies can meet remotely during a declared State of Emergency by the Governor, if the legislative body determines that one of the following is also true:

1. State or local officials have imposed or recommended social distancing; or
2. To determine, by a majority vote, whether to hold remote meetings as a result of the State of Emergency, because meeting in person would present imminent risks to the health or safety of attendees; or
3. The legislative body holds a meeting having already determined by a majority vote to hold remote meetings.

Modified Brown Act requirements under AB 361, include, among other provisions, that:

- Members of the public must be allowed to address the body and offer comments in real-time during the meeting.
- In the event of a technical disruption, the public agency cannot take any further action on the agenda until the issue is resolved.
- Public agencies may not require public comments be submitted in advance (this is still a permissible option but cannot be the only option).
- Members of the public must be given a reasonable time to register to provide public comment, if necessary, and agencies that provide a timed public comment period shall not close the remote public comment option until that timed period has expired.

Once the initial authorizing resolution is adopted, as it was on September 21, 2022, ongoing authorization every thirty (30) days is required by majority vote. If the legislative body desires to continue using the teleconference exception, it must confirm the circumstances of the State of Emergency thirty (30) days after the first teleconference meeting and every thirty (30) days thereafter.

FISCAL IMPACT

There is currently no fiscal impact on the Authority's budget.

RECOMMENDATION

Accordingly, it is recommended that the Authority approve the attached Resolution authorizing remote teleconference meetings of the Joint Powers Authority for the period from December 21, 2022, through January 20, 2023 (Attachment 1).
